

# Residential Builders Risk

Product Brochure | Canada

## About Vailo

---

Vailo Insurance Services Ltd, is an independent, Canadian-owned MGA (Managing General Agent) providing innovative underwriting solutions to a select broker network across Canada.

Formed in 2019, Vailo began with the bold vision of re-imagining the way brokers, companies and individuals alike prepare for change. With over 100 years of combined underwriting and MGA experience, a vetted leadership team, and a strong digital foundation, Vailo offers commercial protection across both standard and non-standard lines, backed by the world's leading insurance providers.

## Overview

---

Vailo's Residential Builders Risk product is designed to provide coverage for construction of single family dwellings, duplexes and tri-plexes. The product is designed for individuals or companies and coverage can be placed as a package to include property and liability or on a monoline basis.

With extensive experience underwriting construction products of various sizes, our team of underwriters understands how to tailor terms and conditions to address the risks at hand.

We look forward to supporting you with your Residential Builders Risk.
